BE REMINDED WHEN YOU NEED IT MOST

Thirsty? It's already too late. EQUA will send you glowing reminders when you need to take a sip of water. It will help prevent dehydration.

REACH YOUR PERFECT DAILY WATER INTAKE

You're one of a kind. That is why you need a personal hydration plan. Let EQUA plan your water intake and become your hydration coach.

NEVER LOSE TRACK OF YOUR HYDRATION

Start tracking your hydration. Soon you'll notice that when you reach your daily goal of drinking enough water, you'll feel energized and your skin will glow like never before. Your friends will notice it!
